# ORDINARY TIME

If we look closely we will be able to find God in the ordinary of our lives.

Summer time is here again and we are getting used of the long days and hoping for some nice warm sunshine to lift the spirits. We look forward to having time away from the ordinary as we plan holidays.

This is the time for you to reap the benefits of all the hard work during most of our days. How we enjoy the holidays depends on how we live the ordinary days.

The Church calendar, after the high point of Easter, Pentecost, Trinity and Corpus Christi, now moves into Ordinary Time. The richness of Ordinary Time is found in the opportunity to know Christ more intimately in the everyday realities of life. The scripture proclaimed in Ordinary Time reveals the teaching and healing and mission of Christ, allowing us to better understand God who became human. We learn that Christ is about humility rather than pride, vulnerability rather than power.

We learn that Christ is about including the excluded, eating with social and religious outcasts, and dismantling structures of sin and injustice. We learn that Christ is about self-giving love that is only possible through authentic relationship.

Ordinary Time is anything but monotonous. These are the days where we grow into who we are called to be by imitating the lived reality of Jesus.
